## NARRATIVE

Officer C. Lyons #134  
Lake Stevens Police Department

Case #: 2016-00023171  
Location: 2117 130TH DR NE, Lake Stevens, WA 98258  
Incident: Hit & Run Collision

I, Officer C. Lyons, am a fully commissioned Police Officer assigned as a patrol Officer for the Lake Stevens Police Department, located in the City of Lake Stevens, County of Snohomish, and State of Washington. While on patrol, I was driving a marked police vehicle equipped with emergency lights and sirens.

Today 11-21-16, at approximately 0529 hours, I was dispatched to the above stated location for a cold hit and run involving a motorhome. The male reporting party advised he had no suspect information.

Upon arrival, I contacted the male reporting party/registered owner in the driveway. The male was identified as Hanson, Glen A (DOB 06-14-1962) and the damaged motorhome identified bearing WA license plate AGH4890.

Hanson stated he was woken early this morning by his son, who informed him there were damages to the passenger side of his motorhome. Hanson stated he and his wife had been packing/prepping the motorhome for a Thanksgiving road trip all day on 11-20-2016, where there were no damages. Hanson stated when he went to bed around 2300 hours on 11-20-2016, there still were no damages. Hanson believed the hit & run occurred between somewhere after 0000 hours and 0529 hours on 11-21-2016.

The motorhome was legally parked off the main road, on Hanson's property. The motorhome suffered damages from the middle to the front of the vehicle, down alongside the passenger side. The motorhome's passenger side entrance steps were damaged as well.

I asked Hanson if anyone had any information on the suspect's vehicle or knew of who was involved, where he stated "No".

At that time, I collected all of Hanson's informational documents and provided him with a Lake Stevens Police Department case number for his insurance purposes and cleared the call.

Upon returning to work at 1800 hours on 11-21-2016, I received an email from Hanson stating he located a piece of debris he believed to be involved with the suspect's vehicle.

At approximately 2023 hours, I followed up with Hanson at his residence. Hanson handed me the debris, which was a small black piece of plastic with "FORD" on it. The debris had no additional complete identifying markings or numbers, which could not help identify the vehicle it belonged to.

I advised Hanson I would notify him and for him to notify the Lake Stevens Police Department if any additional identifying information came forward.

This concluded my involvement in the case.
